He was given as seat beside his counsel, and the civil having the clothing on the body was found in the creek at Blackwood. Although the clothing on the body was buried at the expectation of the counter property of the considerable time the property of the counter pr

Judge Lippincott denied the motion, and Prosecutor Winfield then opened the case for the State.

He told in detil the history of the terrible crime for which the prisoner is being tried. He said that Altenberger and the young sir! Katle Rupp, met for the first time at a funcal in Rome, N. Y., in February last. Altenberger immediately afterwards began paying attentions to the girl, and soon professed love for her. He and the young sir! were close frineds until the Spring.

On Sunday morning, May 13, they left Rome and came to this city ostensibly to be married, in the afternoon Althory ger persuaded the girl to go out walking with him and they went to Snake Hill.

The next scene in the tragedy was the finding of the young girl's body on Monday morning by two workmen. She was thying near the Snake Hill penetentiary with a builet wound in her head. There were evidences of a desperate struggle actions to the penetentiary and afterwards she was taken to the hospital where she was taken and nices in the tragedy was the finding of the young girl's body on Monday morning by two workmen.
